As part of the application process for the Nursing Program at Northern Maine Community College, you are required to submit two (2) references attesting to your motivation and commitment. These should **not** be given to a relative, but rather to an employer, former employer, guidance counselor, instructor, etc.

Please complete the top portion of the reference forms and submit them to the evaluators. Also, we encourage you to sign the optional space concerning the Family Educational Rights and Privacy Act (Public Law 93-380) on each form. The reference forms are to be returned by the evaluator directly to:
