If you have already registered for the Fall 2021 semester – We have a surprise for you!

If you have not yet registered for the Fall 2021 semester– it's not too late for you to get in on this surprise.

Through some one-time special funding being provided through the NMCC Foundation and the Foundation for Maine's Community Colleges, you may be entitled to a credit to your upcoming fall semester bill. Below are the requirements:

- You must be a student who is currently enrolled in a program of study.
- **You must register for the Fall Semester 2021 classes by May 1, 2021.**
- You must return to NMCC in the fall 2021 and still be enrolled on the date of November 19, 2021, the final date for withdrawal for classes for the fall semester.

If you meet these requirements, then here is your surprise!

- If you are a full-time (12+ cr. hrs.) matriculated student, then you would qualify for a \$200 credit to your student account next fall if you stay enrolled in 12 or more credits past the withdrawal period (75% of the term).
- If you are a part-time (<12 cr. hr.) matriculated student, then you would qualify for a \$100 credit to your student account next fall, if you continue your enrollment in 6 or more credit hours past the withdrawal period (75% of the term).
